

## CUERO ISD EDUCATION FOUNDATION GRANTS AWARDED 2022-2023

Grant	Campus	Amount	Summary
G.O.A.T.	Jr. High	\$3,000	Grant for G.O.A.T focuses on attendance, grades, disciplines, not being tardy and accountability. This Grant allows the Principal and designated staff to treat students to a variation of awards based on good behavior, excellent grades and good attendance.
Gardens at Hunt Elementary	Hunt Elementary	\$9,187.80	It is the goal of the school community to establish four 8'x8' raised bed vegetable gardens that will be planted, maintained and harvested by the Junior Master Gardener club (composed of 2 <sup>nd</sup> – 5 <sup>th</sup> graders). The raised beds will be accessible to all Hunt students and staff to observe, measure and enjoy. Beginning in February of 2023, materials will be ordered and construction started for four 8-foot deer-proof cedar garden beds. Soil preparation will begin in February of 2023 to allow for planting of potatoes. By March, learners will be able to plant other vegetables.
“Cruisin’ With My Foodies”	High School	\$4,500	The grant will fund various opportunities from The Culinary Institute of America. The Institute offers several custom packages. The packages range from a four hour hands-on class, cooking competitions, to culinary demonstrations. Each program consists of learning and observing professional chefs in addition to working in a state of the art teaching kitchen. As well as the program experiences the institute also provides a campus tour to spark interest in the profession. In the proposed budget I calculated the highest program available.
Fact Fluency Celebration	Hunt Elementary	\$1,400	Fact Fluency Celebration will increase school wide fact fluency awareness and student’s motivation and enthusiasm to learn their math facts. Croc charm bracelets and croc charms will be given to students who pass their math fact fluency assessment. Once students have mastered the 0’s and 1’s the will receive a croc charm bracelet. Students will receive one croc charm, to decorate their bracelet, for each math fact mastered for numbers 2-9.
