

## Cuero ISD Education Foundation Grants Awarded 2014

Grant	Campus	Amount Funded	Comments
1. Stimming our Education *	CHS	2500.00	The purpose of this project is to teach students about modalities and their use in the clinical setting.
2. Hooked on Success 2014	CHS	2596.58	Hooked on Success is a camp that is designed to help kids become strong leaders, decrease student referrals, build self confidence and work on conflict management strategies. This camp also hopes to boost school spirit and performance.
3. Gobbler Pride Day	CHS	2411.90	Gobbler Pride Day is about promoting Perseverance, Responsibility, Integrity, Discipline, and Excellence in our Cuero students. This program was implemented to offer students the tools to make better decisions during Spring Break.
4. Steps to Success... Science Camp for Girls!	CJH	5000.00	The identified at-risk seventh and eighth grade girls will connect to state mandated Science TEKS in a real-world application. After this experience, the girls will be better prepared for STAAR exams.
5. Gobbler Getaway Improvement Project	CHS	1499.97	Gobbler Getaway Improvement Project will allow students to utilize the Gobbler Getaway as a reward and during lunch. This will provide pool tables, foosball, ping pong, and an air hockey table.

6. "Lend A Helping Hand 2014"	CHS	2000.00	The purpose of this grant is to assist students (poverty stricken) with items that are needed to help meet their basic human needs in order to enhance their learning and participation in the classroom.
7. Short Circuit: Number 5 is Alive	CIS & CHS	4720.90	This project will provide an opportunity for students to design and build robots to perform simple tasks. This project will also provide opportunities for students to model and build robots specific to maneuvering in space exploration activities.
8. CHS Maker of Tomorrow	CHS	3561.00	Students will explore and use the Makerbot 3D printer to create tangible 3D objects which can help students learn about abstract concepts.
9. Science Theatre	CIS	590.00	Sing, Act, Learn! Fifth grade students will learn Science content through theatre arts. As students sing and act through the unique science musicles, they will reinforce science content as well as fine arts skills.
10. Dollars for Scholars	CHS	4760.00	This program will allow the socio-economical students to enroll in dual credit courses. It is the entent of this grant to provide the funding for these students.
11. Kid & Teen Impact	CHS, CJHS, & CIS	5000.00	This grant purposes to host a day that focuses on making good choices and responsible behavior offered through presentations and coordination with community groups.

12. Hot New Ways to Learn about Cold Compression *	CHS	2500.00	The program will allow students to explain when to use the cryo and thermal modalities. The students will be able to explain the different physiological effects of each treatment and why they are choosing to use that one.
13. "Field Trippin to a Career"	CHS	3562.50	Students will visit and research jobs available in local plants to help prepare them for the transition from school to work life. First hand knowledge will add to the interest in career choices in the science and research positions as well as the craftsman positions in the plants.
14. MathFacts in a Flash using the 2Know Classroom Response System	Hunt	4442.19	MathFacts in a Flash provides the practice in basic math facts at a student's individual level necessary to attain automaticity. Personalized practice and automatic advancement to new math levels allow each student to work at his or her own pace.
15. Teens for Change-Creating a change	CHS	1000.00	Anti bullying program. High school students go to the Intermediate campus and mentor the 4th and 5th grade. This program will also include mentoring activities for the elementary level students.
