

CUERO ISD EDUCATION FOUNDATION STUDENT EVALUATION FORM

The purpose of the Student Evaluation Form is to provide the Cuero ISD Education Foundation Scholarship Committee with greater insight regarding the scholarship applicant. Three evaluation forms per applicant are required and must be completed by the following Cuero High School personnel: the applicant's government/economics teacher, English IV teacher, and assistant principal. Once completed, the evaluation forms should be placed in sealed envelopes by the evaluators and submitted to the Cuero ISD Education Foundation executive director's office. It is the responsibility of the scholarship applicant to ask the aforementioned CISD personnel to complete a Student Evaluation Form on his/her behalf, provide each with the necessary form, and follow-up with each to ensure the forms have been submitted to the CISDEF executive director's office.
