

Cuero ISD Education Foundation General Scholarship

When the Cuero ISD Education Foundation was formed in 2002, its board of directors focused on building an endowment and awarding innovative instructional grants to Cuero ISD teachers. However, in 2018 the Foundation's board of directors voted to begin awarding scholarships from a portion of its annual unrestricted donations. At the same time, the Foundation's board voted to create a General Scholarship Fund so that others who would like to contribute any amount toward funding scholarships to Cuero High School graduating seniors could do so. Therefore, the Cuero ISD Education Foundation General Scholarship is funded by a portion of the Foundation's annual unrestricted donations as well as funds from donors, such as TrustTexas Bank, who have donated specifically to the Cuero ISD Education Foundation General Scholarship Fund.

The Cuero ISD Education Foundation General Scholarship is awarded annually to at least one, but possibly more, Cuero High School graduating seniors in an amount based on funds available. Recipients are selected with an emphasis on academic excellence, community involvement, and good character.

The Cuero ISD Education Foundation's board of directors is proud to be able to support Cuero High School graduating seniors in their endeavors for higher education. Truly, the board is honored to do its part in making educational dreams come true for Cuero High School students, graduating seniors, and graduates!
